9 v.

10 FRANK MASTERS, *et al.*,

11 Defendants.  
12

Case No. 2:11-CV-00896-KJD-CWH

**ORDER**

13 Presently before the Court are Plaintiffs' Motions (#27/28/29/32). All the motions were filed  
14 after the Court granted (#24) Defendants' motion to dismiss for failing to exhaust administrative  
15 grievances. The motions, amongst other requests, appear to ask the court for an extension of time  
16 alleging that his legal paperwork was tampered with. However, the relief Plaintiff seeks would not  
17 address the underlying issue, whether he fully exhausted his administrative remedies on his  
18 underlying claim that he was forced to take medication as retaliation for exercising his first  
19 amendment right to question Defendants' gender and personal hygiene. Accordingly, the motions  
20 are denied.

21 **IT IS SO ORDERED.**

22 DATED this 19th day of February 2013.
